Fraction Land

Rules

1. In teams of 3, collect a whiteboard, a marker, and sit together at a table. Assign each member of the team one of the following roles (you will rotate each round):
   a. Pathfinder - Collect the puzzles
   b. Scribe - Write the solutions
   c. Quizmaster - Present your solutions
2. Send your **Pathfinder** to your teacher to collect your first puzzle
3. Your **Scribe** is the only member of your team who can write but you can (and should!) work together to solve the problem presented.
4. Give your **Quizmaster** your whiteboard with a solution and puzzle and have them present your team's solution to your teacher.
   a. Depending on the type of card you picked, this will determine how you move on the board
   b. Rotate roles: Pathfinder -> Scribe, Scribe -> Quizmaster, Quizmaster -> Pathfinder

Rules

Types of Cards

- When your **Pathfinder** comes to collect a puzzle, they must choose which type:
  - **Momentum Cards** - A standard problem card, get it correct and advance one space, get it incorrect and there are no consequences.
  - **Leap of Fate Card -** A challenge problem…get this correct and advance two spaces but beware if you answer incorrectly, you will move backwards one space.
  - **Fortune Flip Card** - A super challenging problem that is high risk, high reward. Get it correct and swap places with anyone on the board but get it incorrect and head back to the start.

Going for the win…

Each member of the winning team will receive a card for Lakeshore Legends AND 3XP
